The voices in her head reminded her all the time. Anti-psychotics couldn t stop them. Her abduction from her home to the underworld was foretold. She enters the sordid heart of present day Oakland, California, a world misshapen by a culture of fear, and takes her place within a divergent tribe of people with extraordinary capabilities. Her heart beats fast. Curiosity soon replaces suspicion and apprehension. Life has changed into something mysterious and wonderful. She no longer feels so alienated. She forms a bond with Freddy, the one tasked to kidnap her and bring her home. Through him she meets a tall and brazen American chick, and a sister in Bless. Then finds companionship in a young blood with a skateboard and a serious ice cream sandwich habit. Her new friends and associations nurture her, in fearless fashion, toward a purpose far greater than she could ever have imagined. Together they roam the streets, encountering humans and spirits, mercilessly exacting a toll only humans can pay. The alchemy is in her blood.
