Think Performance Enhancement Not Loss Prevention (Paperback)

By MR Gareth Wynne, Ms Celine O connor

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Celebrity launches, risque marketing, store makeovers and fancy websites grab the column inches but don t guarantee a return on investment for retailers. The central tenet of this book is that the traditional approach to loss prevention does not address the problem of losses effectively - it is the wrong place to start when developing solutions. From an employee s perspective it has too many negative connotations and assumes a deficit model of their contribution. From a business point of view it leads to sub-optimal activities and inefficient allocation of resources. Think Performance Enhancement Not Loss Prevention eschews the usual questions such as how do we stop our customers and staff stealing from us? It argues that given over half of losses are down to internal issues a CEO, with the right strategy, can increase employee loyalty, motivation, engagement and effort and improve customer satisfaction whilst generating increased profits and delivering a guaranteed return. Four key insights underpin the book: 1. The traditional approach to loss prevention does not address the problem effectively and leads to sub-optimal activities...
