Whenever I hear someone mention the year 1996, I immediately think of that magical baseball season in which a special group of young men won forty-three consecutive baseball games. But it was so much more than just those forty-three games. It was the culmination of years of hard work and dedication to both the game they loved and the teammates they competed with. I feel truly blessed to have been a part of their journey. -Tim Dowdy, Former New Hope Baseball Coach The spring of 96 was a magical time that I will never forget. It was a three-month period in which the stars aligned and took us on an unforgettable ride. -Carey Edwards, Former New Hope Baseball player I went to my knees near the third base line as the ball began to get closer and closer to the ground. As a sixteen-year-old, all I could think about was how I had just let my team down. My name was going to be in the record books, the only pitcher with an L next to his name. Suddenly, my feet went numb as I stood up in disbelief. I saw what had just happened but didn t believe it. I still have never seen another catch like that! -Scott Kappler, Former New Hope Baseball Player.
