Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, Fisheries Management, Food and Agriculture Organization of the United Nations, These Guidelines have been developed in response to requests for further information on the practical adoption and application of the ecosystem approach to fisheries (EAF), with a special focus on its human dimensions. As implementation of EAF is a human pursuit and takes place in the context of societal goals and aspirations, the human forces at play need to be understood and considered - these include policies, legal frameworks, social structures, cultural values, economic principles, institutional processes and any other relevant form or expression of human behaviour.
