General Accounting Office, 2004 OCLC Number: (OCoLC)55152054 Subject: Internet in public administration -- United States -- Evaluation. Excerpt: . . . that much of the effort spent on the project has been made repeatedly to establish administrative structures, develop program plans, and obtain stakeholder input and support. Additionally, according to the project manager of PSWN, the changes in leadership have led to skepticism among some of the projects stakeholders that the projects goals can be met. The ability of Project SAFECOM to meet its overall objective has also been Inadequate Collaboration hampered by inadequate collaboration with the projects stakeholders. As Has Also Hampered an umbrella program meant to coordinate efforts by various federal, state, Progress, Although Recent and local agencies to achieve interoperability, SAFECOMs success relies Actions May Promote on cross-agency collaboration. As we have previously reported, cross-Success in the Future organizational initiatives such as this require several conditions to be successful, including: (1) a collaborative management structure; (2) clear agreements among participants on purpose, outcomes, and performance measures; (3) shared contribution...
