Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Late, Michael Hamburger, "Late" is both an elegy for and a celebration of life in our century as we approach the end of the millennium. In the spirit and style of Michael Hamburger's much-admired "Variations", "Travelling" and "In Suffolk", it is a narrative meditation in a developing series of short passages. In some of his most musical and subtle lyric writing, it draws together the abiding concerns of his poetry: the cycles of the passage of time, the interrelation of past and present, of continuity and change, in both the natural and the social and historical worlds.
