Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Ancient Church of Scotland: A History of the Cathedrals, Conventual Foundations, Collegiate Churches, and Hospitals of Scotland It has long been a matter of extreme surprise to thoughtful minds that Scotland, to a proverb jealous of her nationality and proud of her ancient lineage, in which, as in many other matters affecting the past, her temper is eminently conservative, yet can be so indifferent to the sacred reliques of her national art, and neglect the precious heirlooms of this kind transmitted to the present time. The true reason is, that the popular mind has been sedulously educated to regard such remains as monuments of idolatry and superstition; and in fact they have ceased to occupy a prominent position in the ordinary descriptions of the country, which is represented to strangers as full of noble salmon streams, heathery moors, gorse-clad, robed in purple and gold, and rich in game; stern, silent mountains full of a grand, grave beauty, chains of broad steel-grey lakes, quiet glens, brawling burns, thunderous waterfalls, rugged coasts and island-studded seas; but except in the country immediately round Edinburgh destitute of those memorials of fame which renown other countries, sheltered and studied with the deepest interest. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
