MCAT Psychology and Sociology: Strategy and Practice

Filesize: 7.29 MB

Reviews

Very useful to all of class of people. It is really simplified but unexpected situations within the 50 % in the ebook. I am delighted to let you know that this is actually the best book i have read in my personal daily life and can be he finest ebook for at any time.

MCAT PSYCHOLOGY AND SOCIOLOGY: STRATEGY AND PRACTICE

DOWNLOAD

CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Starting in 2015, the MCAT will ad a section called "Psychological, Social, & Biological Foundations of Behavior." Next Step's book will give you an in-depth discussion of the strategies to attack each passage and several different approaches so you can find what works best for you. You will then be able to apply those strategies on four full-length MCAT practice exam. The challenge of the new section will not simply be memorizing 101-level sociology and psychology concepts. As with the science sections of the MCAT, basic knowledge is important -- but top-scorers know that its how you apply that knowledge on the exam that leads to success. Rather than drill endlessly on vocabulary concepts, Strategy and Practice focuses on HOW top students approach the exam. Every passage has extensive explanations showing you how to analyze the passage and every single answer choice. Next Step has assembled the most experienced team of MCAT writers in the industry, including a 44-scorer with 12 years of experience, a MD/PhD with a decade of MCAT teaching experience, and a PhD in psychology.
