Alset Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is December of 2012, and there is excitement and anticipation in the air. The 21st of this month marks the end of the Mayan calendar, the end of the Mayan 5th World. What will happen? Will anything happen? The Mayan s themselves say they do not believe any major change or catastrophe will happen on the 21st itself. However it is not up to the Maya or any human, but rather Mother Earth herself to decide the timing. They do believe we are in the window of time where Mayan prophecies foretell a shift. Regardless of what happens, this is a milestone date, a date when multiple cycles culminate simultaneously. It is the time when many cogs in the wheels of time click into place creating an ending and a new beginning. The male cycle of the last 13,000 years ends and the new female cycle is being birthed. Many are feeling called to sacred places in the world to experience this event. Through these pages you too are invited to experience this event from one person s perspective among thousands. This journey will take you to the Yucatan, the heart of Mayaland, and allow you to engage in ceremony along with one group of travelers. Through this travel journey you will wind your way in pictures and words to Uxmal, Mayapan, Chichen Itza, Coba and Tulum in late December 2012. Welcome aboard and enjoy your journey.
