Outskirts Press, United States, 2013. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Make Your Life Worth Living. If you ve ever wanted to take practical steps toward improving yourself and your life, you may have been overwhelmed by the number of self-help and pop psychology books to choose from. Most of them are lengthy, full of anecdotes from and about people you may have nothing in common with. Highway to Happiness is refreshingly different. It is an easy read, brief and to the point, drawing on the author s life experience and observations. Prescriptive suggestions for self-improvement are made simply, without embellishment, so you have a chance to pause, reflect, and consider how these principles might best be applied to your own life. This handbook gives you a chance to keep an open mind, free of skepticism, to absorb the ideas presented. If you implement these powerful precepts, you will enjoy better relations with people, achieve greater success in your undertakings, and experience peace of mind and self-confidence that you ve never known before. Everyone needs meaning and purpose to make life worth living-Highway to Happiness shows you how to find them.
