His parents can't save him, because this kidnapper isn't demanding money. Instead, he quizzes his prisoner on the price others pay for his life of luxury. In this exam, wrong answers are fatal. Detective Michael Bennett leads the investigation. With ten kids of his own, he can't begin to understand what could lead someone to target anyone's children. As another student disappears, one powerful family after another uses their leverage and connections to turn up the heat on the mayor, the press, anyone who will listen, to stop this killer. Their reach extends all the way to the FBI, who send their top Abduction Specialist, Agent Emily Parker. Bennett's work life - and love life - suddenly get even more complicated. Before Bennett has a chance to protest the FBI's intrusion on his case, the mastermind changes his routine. His plan leads up to the most deadly demonstration yet - one that could bring cataclysmic devastation to every inch of New York.
