Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, The Glass Room, Simon Mawer, Cool. Balanced. Modern. The precisions of science, the wild variance of lust, the catharsis of confession and the fear of failure - these are things that happen in the Glass Room. High on a Czechoslovak hill, the Landauer House shines as a wonder of steel and glass and onyx built specially for newlyweds Viktor and Liesel Landauer, a Jew married to a gentile. But the radiant honesty of 1930 that the house, with its unique Glass Room, seems to engender quickly tarnishes as the storm clouds of WW2 gather, and eventually the family must flee, accompanied by Viktor's lover and her child. But the house's story is far from over, and as it passes from hand to hand, from Czech to Russian, both the best and the worst of the history of Eastern Europe becomes somehow embodied and perhaps emboldened within the beautiful and austere surfaces and planes so carefully designed, until events become full-circle.
