Brand New Book ***** Print on Demand *****.Excerpt from List of Works on the Tariffs of Foreign Countries, General: Continental Tariff Union; France; Germany; Switzerland; Italy; Russia; Canada This List shows some of the material in the Library relating to present tariff and trade conditions in Europe and their immediate antecedents. It is not in any sense exhaustive, but aims to give material most likely to be useful at the present juncture. The German fiscal system and commerce have been given special prominence in view of the tariff law enacted in 1905, which becomes effective in March, 1906. The writings of German economists and publicists and other works showing German opinion and conditions have been recorded. There have been included works dealing with what is termed abroad The American peril, or the advance of American commerce in Europe. Some other writings on American foreign commerce are also noted. Current statistics of American foreign trade in tabulated form are printed annually in the Statistical abstract of the United States; more detailed statistics are given in the annual report on Foreign commerce and navigation of the...
