Brand New Book ***** Print on Demand *****.Three years have passed, and two unsolved double murders in London still weigh heavily on the mind of Detective Chief Inspector Jack Edgerton. A serial killer continues to stalk the streets of London undetected. Will the killer strike again? Jack Edgerton, a member of the original investigation, has moved on, but the murders remain unsolved as he fulfils his new role as the head of Scotland Yard s elite murder investigation team. London remains a vibrant 24/7 city as life goes on. November 2011 is a prosperous and productive period for the media, and the political classes are embroiled in a battle to gain power as a public inquiry threatens to undermine the stability of the current Labour government. Allegations of corruption that cut right through to the very heart of the government make for a dangerous situation. A web of lies and deceit evolves as sinister events begin to unfold where a red light shines. London is again thrown into turmoil as a series of murders are committed in the affluent suburbs, reigniting fears of local residents. The killings have started once again, but why should the world of politics concern Jack Edgerton? There is no refuge for any person implicated in this killing game. Jack Edgerton is faced with his sternest test so far.
