William B Eerdmans Publishing Co, United States, 2000. Paperback. Book Condition: New. New.. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Doubt and death, God and self, happiness or insignificance, guilt or grace! These fundamental human concerns are deeply intertwined and connect with our heart s deepest longings. They are difficult to understand, yet deeply felt. When Faith Is Not Enough is a creative, honest, and original discussion of faith and doubt and the search for human significance. Drawing upon personal experience, literature, psychology, philosophy, and Scripture, philosopher Kelly Clark tackles the difficult question of how we can live with doubt and how we can nurture a faith and develop a self of enduring value. In section one, The Shadow of a Doubt, Clark takes doubt (and doubters) seriously and sets out to help the reader understand faith in a deeper way. He presents a powerful case for the existence of God, offers hope for understanding the problem of God and human suffering, suggests positive ways for dealing with doubt, and affirms the excitement of embracing the adventure of life. Section two, Searching for My Self, is a reflection on the meaning of life. We want our lives to count, but we feel insignificant. We desire fame and honor, but we feel forgotten and ignored. Wishing for significant human relationships, we often feel alienated and unable to communicate. And wanting to live worthy lives, we feel shame. Clark probes into these conflicting emotions and addresses how God can unite the disparate elements of our lives into a meaningful and enduring self.
