# Handbook to Life in Ancient Egypt (2nd Revised edition)

By A. Rosalie David

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Handbook to Life in Ancient Egypt (2nd Revised edition), A. Rosalie David, The Nile Valley civilization, which spanned a period from c. 5000 B.C. to the early centuries A.D., was one of the earliest created by humankind. This handy reference provides a comprehensive overview of more than five millennia of Egyptian history and archaeology, from predynastic times to the Old and New Kingdoms to the Ptolemaic and Roman periods. Accessible, authoritative, and clearly organized, the Handbook to Life in Ancient Egypt offers an engaging look at a culture whose art and architecture, religion, and medicine would come to form the basis of Western Civilization. The thematically arranged chapters allow readers easy access to particular topics, including historical background, geography, government, religion, funerary customs, architecture, literature, the military, the economy, and everyday life. Drawing on written sources dating from c. 3100 B.C. and historical evidence including monuments, artifacts, inscriptions, and preserved human remains, Rosalie David covers everything from the Sun Cult and the pyramids to the arrival and spread of Christianity. The Handbook contains 112 maps, photographs, and original line drawings, a chronological table, an appendix listing museums with Egyptian collections,...
