Hodder Stoughton General Division, United Kingdom, 2013. Paperback. Book Condition: New. 200 x 131 mm. Language: English . Brand New Book. When Freya Dane inherits the small Scottish island called Findnar, the young archaeologist finds a treasure house of notes and artifacts from the island s Viking and Christian past. But that is just the beginning of a story that began in 800 AD. It is then that Signy, a young Pictish girl, survives a murderous Viking raid. Taken in by the Christian missionaries of Findnar, she learns their language and their ways - even the mysteries of writing. But before she can take her vows as a nun, she falls in love with the battle s other survivor- a Viking boy called Magni. Forced to choose between her faith and the man she loves, Signy s fate will be tragic .As Freya uncovers Signy s story and the secrets hidden beneath her new home, she finally realizes that Findnar is as dangerous in the twenty-first century as it was twelve hundred years ago. Bursting at the seams with romance, intrigue, visions from the past, Viking marauders, battles, and lost treasure .Whether a mystery, a romance, a thriller, or historical fiction, this is the perfect summer read. Library Journal.
