Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

More than ever, I yearned to encourage, uplift, and motivate people the best way I could. After helping a close friend of mine, I felt God placed a calling on my life to write an inspirational book to share with the world. Raindrops of Inspiration are a collection of inspirational poems which centers on faith, pursuing your dreams, and most of all keeping God first. As you read, little by little, just as raindrops, you will see how my own life unfolds after I accepted Christ into my life. Each poem delivers a message about encouragement and inspiration when facing real life problems. I hope each message places a new spirit on your heart leaving you hopeful and excited about life.
