How Football Explains America (Paperback)

Filesize: 8.99 MB

Reviews

The ebook is not difficult in study preferable to understand. it was writtern quite flawlessly and beneficial. You are going to like just how the author compose this book.
(Leola Smith)

HOW FOOTBALL EXPLAINS AMERICA (PAPERBACK)

DOWNLOAD

Triumph Books (IL), United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. ESPN s Sal Paolantonio explores just how crucial football is to understanding the American psycheUsing some of the most prominent voices in pro sports and cultural and media criticism, How Football Explains America is a fascinating, first-of-its-kind journey through the making of America s most complex, intriguing, and popular game. It tackles varying American themes from Manifest Destiny to fourth and one as it answers the age-old question, Why does America love football so much? An unabashedly celebratory explanation of America s love affair with the game and the men who make it possible, this work sheds light on how the pioneers and cowboys helped create a game that resembled their march across the continent. It explores why rugby and soccer don t excite the American male like football does and how the game s rules are continually changing to enhance the dramatic action and create a better narrative. It also investigates the eternal appeal of the heroic quarterback position, the sport s rich military lineage, and how the burgeoning medium of television identified and exploited the NFL s great characters. It is a must read for anyone interested in more fully understanding not only the game but also the nation in which it thrives. Updated throughout and with a new introduction, this edition brings How Football Explains America to paperback for the first time.
