Brand New Book ***** Print on Demand *****.Every day, millions of women wake up with the lingering and traumatic scars from past events that cause them to limp hopelessly through life covering up what they fear, deep down, can never be healed. Is real healing possible for victims of abuse? Author Jaye Wiegold, Bible teacher and lay counselor, has walked that road. She s wrestled with questions like: Does God really love me? Will I ever be able to trust Him? Is He really powerful--or really good? Is healing from so many years of painful abuse and suffering even possible? In HIS, Wiegold shares her story of growing up in an alcoholic and abusive environment--at times even homeless. She relays the pain of grasping for fulfillment through promiscuity and a premature marriage, also sharing the heartache of several miscarriages and a painful divorce. And then, everything changed. HIS unveils an inspiring story of redemption through Jesus, divine healing through forgiveness, a head-on look at life s challenging questions, and most importantly, learning to walk intimately with the Savior every single day.
