Maestro Publishing Group, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.While bipolar disorder can be a very difficult disease to live with, it is not impossible to treat. As medicine and science continues to move forward, more and more practices come to the forefront. Currently, there are many alternative medicines and practices available to those battling the effects of bipolar disorder, and all of them help in their own way. These practices from methods that help by easing your mind, such as meditation and electroconvulsive therapy, to ones that are more focused on strengthening your body, such as yoga or conventional exercise. This guide will cover a wide array of available topics, ranging from supplements to lesser-known practices, in order to help you choose which strategy works best for you. Through that exploration, this guide will also help you understand why said strategies can be so beneficial. By looking at all of the methods for treating bipolar disorder, even the ones that go beyond conventional medicine, you can find relief and improve your overall quality of life.
