Magnificent Milestones Incorporated. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 10.0in. x 8.0in. x 0.2in.Few things are more exciting - or complex - than choosing a childs name. The stakes are incredibly high; this beautiful little boy, who has no say in the matter, must live with your decision for the rest of his life. Even worse, you must make that decision before you know your sons personality and temperament, which determines whether or not the name you have chosen will truly fit him. This book presents more than 3, 000 names in a logical manner, to help you choose the name that is truly right for your son and your family. It omits the unnecessary details that bog down most books, such as esoteric choices from 200 years ago and 20 different spellings of the same name. Instead, it presents every name (and meaning) in practical groupings, to show you various alternatives that might work for your family. Chapters include: The Most Popular Baby Names for Boys A Blast from the Past - Top Names from the Past Decades Christian and Biblical Names Names from Literature and Mythology Names from Popular Culture the Entertainment Industry Names based on U.
