Summary: You CAN Interview Better in 15 Minutes - Let a Hiring Manager Teach You HowStop Making Mistakes Candidates Make Over and Over Again - Do You Want the Job?Learn from my 20 years of interviewing and hiring people just like you, across multiple Fortune 500 companies.You're qualified for the job - it should be yours. Let me show you what goes through the head of the interviewer so you can use it to your advantage. An advantage others won't have. I've captured a highly condensed set of recommendations in this book that will put you in the very small set of interviewees that will stand above other candidates. Whether you are seeking an entry level or an experienced management position these recommendations will give you the edge. I see "bad" behaviors across all levels of interviews, without candidates even being aware of what they are doing that prevents them from being hired. You don't need to memorize 101 interview questions and answers. You need actual experiences from the other side of the table to guide you.Listen to Hiring Managers - Is the book you're reading now written by the person who decides to hire you, or by someone else involved in the process such as a recruiter or human resources role? If so their guidance may get you an interview, but won't give you insight into what goes through the manager's head. Scroll up and grab your copy today. Learn how to bring your BEST self to the job interview!Cover Design by Melody Simmons of eBookindiecovers.
