A jury award could take your assets and future income. A frivolous lawsuit could cost you $100,000 to defend. A $1 million umbrella costs as little as $210. Are you really protecting your family and assets well? If you own anything-even your job s income-you could lose it and spend a fortune defending yourself even if the accident is the fault of someone else. Why? There is a trend in this society to sue. If you are active in the community, have a teen or dog, own a pool or business or look like you have deep pockets, you will be named in a legal proceeding. You can protect all your assets and future earnings at little extra cost by self-insuring smaller risks. In the 21st century, you can purchase all your financial needs at a substantial discount, some to 300 . I will show you how to buy value-quality at the right price. Avoid commissions and fees. Build your own wealth; not that of your insurer. You may be paying more premium than you need to. You...
