A Synopsis of the Professional Writings and Events of John B. Moullette, Ed.D.: In the Last Half of the Twentieth Century (Paperback)

By John B Moullette

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The author--John B. Moullette--was a vocational and industrial educator for more than 40 years, domestically and internationally. In this account of his professional writings and events over more than forty years, he provides a paper trail of ideas, efforts and arguments that were required to maintain, promote, and expand work force education and training in an industrial and professional society. He opines the same efforts are required today to sustain work force education and training in order to develop and expand the talents and innovations of the American society for the future. This synopsis details his involvement over 40 years of teaching in and promoting, establishing and operating training programs to prepare persons of all genders and ages to succeed in the world of work.
